Manual 1

The Particulars of Gujarat Industrial Corridor Corporation's Functions

A Special Purpose Vehicle (SPV) in form a company called Gujarat Industrial Corridor Corporation Limited (GICC) has been registered with the RoC on 30th March 2009. The company is intended to monitor and supervise the work pertaining to Delhi Mumbai Industrial Corridor within the State of Gujarat under the auspices of GIDB, which is designated as nodal agency and apex body for the purpose. The registered office of the company is on 8th Floor, Block No 18, Udyog Bhavan, Gandhinagar. The Corporation is a wholly owned State Govt. Company and is subject to CAG audit under sec.619. It has received the Certificate of Commencement of Business on 14th May 2009. A bank account has been opened with Central Bank of India – Sector -16 Branch, Gandhinagar.

The Corporation has authorized capital of Rs 100 crs and Paid up capital of Rs 10 crs. The state Govt. has released an amount of Rs 10 crs.to GICC being paid up capital of the Company. The amount is routed through GIDB.

The company intends to proceed with its functions in a phased manner.

THE MAIN OBJECTS OF THE COMPANY TO BE PURSUED ON ITS INCORPORATION:

1. To plan, facilitate, promote and establish industrial corridors/investment regions/ industrial areas/economic regions/industrial nodes/special economic zones/ townships with state-of-the art industrial, physical and social infrastructure. These regions/nodes would be self-sustained industrial regions with world class infrastructure, enhanced road and rail connectivity for freight movement to and from ports/hinterland and markets, modern logistics hubs, served by domestic/ international air connectivity, reliable power, quality social infrastructure, and provide a globally competitive environment conducive for setting up businesses;

2. To undertake project development services for industrial corridors/investment regions/industrial areas/economic regions/industrial nodes/special economic zones/townships, for various central/ state government agencies and also help in assisting other state governments/ government / semi government agencies/ entities , where desired, with a range of services that include, but not limited to, selection of projects, short listing suitable locations, conceptualization, master planning, preparation of techno-economic feasibility studies/ detailed project reports, structuring the project and financing, marketing/investor consultations and carryout bid process management for selection of domestic and overseas entrepreneurs/ investors; To monitor implementation of projects, components/sub-components of industrial nodes/economic regions, obtain various clearances and facilitate their execution, to evolve financing patterns for various projects including arranging finances, where required, on the basis of a sovereign/state government guarantee, and to co-ordinate with various Union Ministries/ State Governments/ Departments, Financial Institutions, and Infrastructure development agencies
3. To plan, execute, design, implement and introduce 'state-of-the-art' implementation methodologies and know-how for quicker implementation of infrastructure projects and enhance efficiency of operation & maintenance of such facilities and to carry out the business of providing assistance in all forms individually or in association with others, including long term financial assistance, for infrastructure projects in India by mobilizing funds from domestic and foreign sources, for which purpose infrastructure projects include (a) roads and bridges, railways, seaports, airports, inland waterways and other transportation projects; (b) power sector including generation, distribution and transmission systems, renewable energy sources etc; (c) urban transport, water supply, sewerage, solid waste management, housing and other physical infrastructure in urban areas; (d) gas pipelines; (e) infrastructure projects in special economic zones; (f) education, skill development, vocational training etc; (g) promote and set-up facilities of all kinds of promotion of agriculture, horticulture, floriculture, agro-industry, agro-processing, warehousing, transportation and other components of supply chain and agri-business (h) facilitate, promote and set-up centers/clusters of economic and other activities including industrial, agricultural, tertiary, recreational, residential, convention centers, sports, healthcare facilities, and other infrastructure projects as may be determined from time to time and to set-up Special Purpose Vehicle Companies for the specific projects;
4. To act as an intermediary for the purpose of development and establishment of infrastructure projects and facilities in India through developing and disseminating appropriate financial instruments, negotiating loans and advances of all nature, and formulating schemes for mobilization of resources and extension of credit for infrastructure.

5. To study, research and survey issues relating to financing infrastructure and to advise the Government, State Governments, Municipal Authorities, other Development Authorities, Companies, Project Developers and the like on the financing of infrastructure projects and to acquire an undertaking including the business, assets and liabilities of any institution the principal object of which is the promotion or development of infrastructure, or grant of financial assistance for promotion and development of infrastructure.
6. To act as a pass through entity/ nodal agency/ single window for specific projects and raise various financing instruments such as 'Project Development Fund (PDF)' that could be used as a Revolving/ Venture Fund and would specifically be used for undertaking project development activities and whose cost would be recovered from successful bidders of projects executed on Public Private Partnership.
